

Auckland Region Spring Dance *Saturday 23 September 2017*

Class: 2pm - 5.30pm

Soup and rolls for class attendees

Dance from 6.30pm

This year we are trying something new – a class in the afternoon, followed by soup & rolls for class attendees, and then the dance in the early evening.

The price to attend the class is \$25 (or \$15 for JAMs) – and this includes a ticket to the dance (Registration forms available through clubs).

The programme is designed for new dancers (who have been dancing consistently most of the year) to be able to dance a large part of the programme comfortably with other new dancers. The Craven Twelvesome and other similar dances hopefully will provide something interesting for all dancers - that can't easily be danced at many clubs.

The class will be taken by Katharine Hoskyn. In the class we expect to cover the following – with some dances danced a few times only.

| | |
|---------------------|---|
| Cumberland Reel | Rough Diamonds |
| On the Quarter Deck | Campbell's Frolic |
| Birks of Invermay | Craven Twelvesome |
| Coilsfield House | Other dances as time permits (walked or danced) |

We expect to take a fairly relaxed approach to the afternoon – we don't want to tire ourselves out. The purpose is to encourage people to attend the dance.

After the class, there will be a chance to get changed and also have some soup and rolls prior to the dance.

In the few weeks prior to the dance, we ask clubs to dance some of the following dances: Crom Allt, The De'il Among the Tailors, Gramachie, Neidpath Castle, Roxburgh Castle, The Summer Assembly.
